Elicitación Y Validación De Requisitos De Explicabilidad Para El Módulo De Sugerencias Diagnósticas Asistidas Por IA Del Sistema SGCV-IA
This Registration Is Currently Archiving, And No Changes Can Be Made At This Time.
Please note
Changes to any files (1) in the projects or components being registered, (2) uploaded or selected as prompt responses, including those connected through add-ons during archiving will result in archiving failure and loss of your registration timestamp. Please do not modify your files until after you have received email confirmation of archiving completion. If this registration has been archiving for more than 72 hours, please email support@osf.io for assistance.
